Book Details:

Review: Such a cute story about facing your fears, being brave and finding your place in the world. We really enjoyed reading this book as a family and talking about all the words Mouseling found on his adventures. My daughter even pointed out that some of his words were just parts of other words. The illustrator did a fantastic job of making the pictures...

Description: In this lively introduction to the pleasure of words, a timid young mouse's first trip out of the nest becomes a reading adventure. Mouseling has grown up surrounded by words, scraps of paper torn from menus. Once he leaves the nest, he decides that discovering words is his mission in life and finds more words than he can count, spelling and sounding...
